To: Our Valued Customers
Subject: Price Action Announcement

At Hayward Flow Control, we remain committed to providing you with the highest quality of reliable thermoplastic piping system solutions to serve your business needs. We wanted to inform you of the necessary adjustments to our pricing structure. Hayward Flow Control will be implementing an average overall price increase of 5% that will be effective on all orders received opening of business starting **June 01, 2024**.

In addition, the pre-tax value of a PO that will be eligible for prepaid freight will be \$3000.

Our new Price List, CHPL24, will be made available electronically in an Excel format on or before May 10th on our website.

Should you have any further inquiries, your local Hayward Flow Control sales representative can answer any additional questions you may have regarding this information.

Please feel free to contact us at our toll-free number 888-238-7665 or reach out to your Customer Care Representative if we can be of further service to you.

Best Regards,
